## Robert Pattinson had to spend first day naked while shooting

In his last release *The Lighthouse*, Robert Pattinson who played the role of a bickering nineteenth-century lighthouse keepers stranded on a remote island, opened up about how he had spent the first day of the shoot naked. The shoot was a particularly grueling one for the *Twilight* actor who is seen undertaking a good deal of manual labor in the film. While talking to a journalist, the actor recalled that *Lighthouse* director Robert Eggers did not exactly ease him in with the shooting.
