Making Public Policy Work for Development

The Master of Arts in Governance and Development (MAGD) program offered by BIGD at Brac University provides a unique blend of globally acclaimed academic teaching and locally rooted practitioner insights.

The program equips promising policymakers with the capabilities to tackle multifaceted governance and development challenges with confidence.

Key Fetures

- A program of 36 credits, can be completed within 12-20 months
- Non-residential format and evening classes provide flexibility for working students
- Cross-learning opportunities with development programs
- Strong alumni network for support
- Tuition fee waivers available for selected government officials based on their performance in the admission test.

Who is it for

Government officials with at least 2 years of work experience, or individuals engaged in a profession that requires working with the government, or professionals/academicians who analyze public policy, or individuals with a specific academic interest in public policy, governance and development-related area.
